The MEISTERSTÜCK design strives for absolute
perfection. The outsides are nearly perfectly perpendicular.
A masterpiece of engineering and
fine craftsmanship.

DESIGN AND PRECISION EXCELLENCE

A white rectangular bathtub is the central focus, set in a modern bathroom. The walls are covered in large, square, golden tiles. A large, flowing golden sculpture hangs from the ceiling on the left. Three square pendant lights hang from the ceiling. In the bottom right corner, there are some decorative items on a dark surface.

Free-Standing bath created for today's leading architects and interior designers: geometric, seamless, aesthetic. A masterpiece of harmony in exclusive KALDEWEI steel enamel with a 30-year guarantee.

MEISTERSTÜCK CONODUO

Consistent where ever you look.
The MEISTERSTÜCK Collection is uniformly designed
with an enamelled waste cover.

FULLY ENAMELLED, PURISTIC, CONTEMPORARY

A white rectangular bathtub is the central focus, set in a modern bathroom. To the left, a large, flowing golden sculpture of a woman's face and neck is partially visible. In the background, two small square mirrors are mounted on a brown wall. To the right, a wooden vanity holds a dark brown cushion, a white ceramic vase, and a black soap dish with two black soaps. The lighting is warm and directional, creating soft shadows and highlights on the bathtub and surrounding objects.

Free-standing bath with an exceptionally spacious rim:
asymmetric, ergonomic, seamless. A masterpiece made of precious KALDEWEI
steel enamel with a 30-year guarantee.

MEISTERSTÜCK ASYMMETRIC DUO

Detailed in every detail. The homogeneous design
is complemented by the enamelled waste control
with integrated overflow function.

FULLY ENAMELLED, AESTHETIC, ELEGANT

Harmoniously integrated.
The perfect combination of material and function.
